NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Government bureaucracy in this country is enough to make all of us sick. We are fast approaching the day when we do not have government by elected representatives but by bureaucrats.

Between these firmly entrenched bureaucrats and appointed Federal Judges we are losing all sense of justice, fair play and common sense. These self-appointed dogooders are messing up the lives of our school age children, they are bankrupting our cities and businesses and making life miserable for all of us.

What kind of free country is it that separates youngsters from their life long school friends just to bus them away from their neighborhood school to some school 10 to 20 miles away? And this separation of children from their friends is not just a problem facing the big cities as we have a similar problem right here in our own area.

Thanks to an all-wise East Texas Federal Judge there are a great many children in the area who can no longer go to the school of their choice and the one that they have attended for several years. This Judge, in all of his wisdom, seems to think that the only reason a child might transfer from one school to another is integration.

He does not recognize the fact that sometimes a child lives much closer or has ties with one school while actually residing in another school district. For years and years our children have gone to the school of their choice with one district picking up about as many students as they lose and everyone coming out happy. But not anymore.

If a student's transfer changes the racial balance of either school by as much as one percent then the transfer is denied. It does not matter if this student has been going to that school for a number of years and his brothers and sisters have attended the school before them. In fact, we have a number of cases in the area where high school students have been granted a transfer but the junior high and lower grade students have not. This splits the family up with some going to one school and the rest going to another.

Somehow in the twisted minds of our bureaucrats and judges this is supposed to be better for the youngsters.

To some extent it has always been the individual against the government in some form or another but now we even have one government against the other. Up until the past few years one level of government has been pretty free from the actions of government at a higher level.

\$9,000 Goal Set For United Way Campaign

A \$9,000 goal has been announced for Hamlin's first United Way fund raising campaign, according to Luther Haught, president of the local organization. The campaign, under the direction of Jim Smith, is set to get underway Oct. 6 with the Advance Kickoff.

The Business Division will start Oct. 13 and will be followed by the School, Employee and Farmers Division on Oct. 20. A House to House campaign has been tentatively set for Nov. 4.

The Rev. Smith, minister of

the First United Methodist Church, said that it is the hope of the United Way directors that through fair share giving the people of Hamlin will be able to take care of most of fund raising needs of the community with this one drive.

He said that if the \$9,000 goal is reached the following organizations will receive these amounts: Birth Defects, \$200; West Texas Rehabilitation Center, \$1,200; Cancer Research, \$500; Salvation Army, \$800; Heart Research, \$200; Arthritis Foundation, \$200; Summer Recreation Program, \$300; Summer Baseball Programs (boys and girls), \$1,300; Hamlin Child Care Center, \$1,500; Boy Scouts of America, \$750; Girl Scouts of America, \$750; Local Scouting Activities, \$500; Hamlin Stock Show, \$500; and campaign expenses, \$300.

Should the drive fail to reach its goal, Smith said that each unit will receive its proportionate share of the money raised.

Heading up the various

divisions of the campaign will be:

Advance—Joe Ford, chairman; Mrs. L. H. McBride and Lewis Madden.

Business—Luther Haught, chairman; Mrs. Robert Fowler and Pat Willoughby.

Farmers—Bobby Crowley, chairman; John Scarborough, Milburn Wink and Bill Feagan.

Employees—O. H. Weaver Jr., chairman; and Mrs. Luther Haught.

Teachers—Bob Hawes, chairman.

House to House—Mrs. Bill Feagan, chairman; and Mrs. Roy Pritchard.

Campaign preparation—

Mrs. L. C. Bonds, chairman; and Mrs. E. W. Ueckart.

Poster—Mrs. Johnny Waldrop, chairman.

Mrs. Waldrop will conduct

a poster contest within the

four grade divisions. Prizes

will be awarded for first,

second, third and honorable

mention. The posters must be

completed by Oct. 10 and will

be judged and placed on

display in the downtown store

windows Oct. 13.

New Johnny Cash Film To Be Shown Sunday

The story is old, but the perspective is up-dated and brought into sharp focus by the film "The Gospel Road" to be shown on Sunday at Foursquare Gospel Church. The showing will begin at 6 p.m.

"The Gospel Road," distributed by World Wide Pictures, was conceived and produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way.

The film is a unique blend of scripture-based narrative, an abundant supply of specially written songs, and a series of in-depth character

portrayals, with Israel itself as the mixing bowl.

Mrs. Lucille Carter, publicity chairman, said "You are there, walking beside the Jordan and the Sea of Galilee; you are there, seeing Him in many human situations that establish a practical and personal rapport with every viewer." "You are there, being introduced to the disciples, and gaining insights into their varied personalities.

RAINFALL—

Rainfall recorded during the 24-hour period from 5 p.m. Saturday through 5 p.m. Sunday totalled .38, according to Bill Rountree.

Flea Market, Auction, Car Show Planned Here Oct. 4

"Mark Saturday, Oct. 4, on your calendar. Gather up your friends and neighbors and be on hand for the big Sidewalk Sale, Flea Market, Auction and New Car Show being sponsored by the Hamlin Retail Trade Committee," was the advice of Gary McMillan, chairman.

Hamlin merchants who are members of the Hamlin Board of Community Development are making plans now for the final big Sidewalk Sale and Flea

Market of the year to be held all day Saturday, Oct. 4. All area residents are being invited to take part in this event by bringing clothes, antiques, and any other unneeded items to town on that day.

A huge auction is being planned to benefit the Hamlin Day Care Center at 2 p.m. The auction of new and used furniture, farm equipment and many other items will be held along the side of the Hamlin city hall building,

according to Mrs. L. C. Bonds. The auction will be moved into the back of the city hall building if the weather is bad, she added.

The Day Care Center will be auctioning both donated items and items on consignment. Auctioneer will be Ricky Crowley and Danny Carter.

A display of new cars and tractors will be located on the Lone Star Gas Company parking lot as part of the big all-day event.

BATTLE OF UNBEATENS—

Highly Ranked Loboes To Meet Pipers Friday

A battle of the unbeatens will unfold here Friday night as the Pipers host the Cisco Loboes, ranked number three in the state last week. It will be the final non-conference game for the Pipers.

The Loboes were handing the Coahoma Bulldogs a 20-14 defeat last Friday while the

Pipers were taking an easy win over the Clyde Bulldogs.

This will be the second meeting in the current series between these two Class AA teams with the Pipers coming out on top of a 28-20 score last year.

Coach David Bonds said this week that Cisco will be a real test for our defensive unit as Tailback Kelly Kent has been averaging over 200 yards per game for the Loboes. Last year Kent, as the Quarterback, racked up 140 yards against the Pipers. The Loboes have changed this year from the Quarterback to the Power "T" with Kent running at tailback.

Most of the Loboes are starting for their third season this year. As sophomores, they went 10-0 in regular season and then lost to Bowie in the playoffs.

Returning in the backfield with Kent (178 pounds) are Ronny Powelson (175 pounds) at quarterback, Jimmy Kanady (174 pounds) at fullback and Tim Cheshire (150 pounds) at wide receiver. Powelson is a strong runner and a good passer. He completed 10 of 18 passes last year against the Pipers for two touchdowns. Kanady is rated as a tough fullback and a good blocker for Kent.

Starting in the line for the Loboes will be Billy Collins (147 pounds) at split end. Piper fans will remember him for his two touchdown catches against Hamlin last year. At tight end will be Pepper Puryear (185 pounds). Playing tackle for the Loboes will be Jeff Cermin (200 pounds) and Mark Huffmyer (200 pounds). At guard will be Robert Pharr (174 pounds) and Cam Webb (183 pounds). Danny Hollander (175 pounds) will be at center.

Adult Typing Class

The first class meeting of the adult typing class will be held today (Thursday) at 7 p.m. in the high school typing room.

Miss Dora Mitchell, instructor, said that there is room for a few more students. Any adult over the age of 18 is eligible.

On defense the Loboes operate from a five-man front with Huffmyer (200 pounds) at nose guard, Randy Agnew (165 pounds) and Cermin (200 pounds) at the defensive tackles, Brad Wilcoxen (174 pounds) and Bobby Jaramillo (165 pounds) at the defensive ends. At linebacker will be Pepper Puryear (185 pounds) and Mike Puryear (174 pounds). The corners will be Kanady (174 pounds) and Kent (178 pounds) and at halfbacks will be Jaime Lopez (145 pounds) and Powelson (175 pounds).

District 6-AA Roundup-District 6-AA teams split 4-3 with nonconference foes last week with Stamford, Hamlin, Ballinger and Anson coming out on top and Coahoma, Winters and Colorado City falling to defeat. Stamford won over Sweetwater, 18-7, Hamlin over Clyde, 40-0, Ballinger over Ozona, 31-6 and Anson over Albany, 56-6. Coahoma lost to Cisco, 20-14, Winters fell to Coleman, 49-0, and Colorado City lost to Reagan County, 43-6.

Going into their final nonconference games this Friday, all of the District 6-AA teams will be playing at home with the exception of Stamford. Anson will host Clyde, Winters plays Eldorado, Ballinger hosts

Coleman, Coahoma hosts McCamey, Colorado City plays Post, Hamlin hosts Cisco, and Stamford travels to Haskell.

The local Junior Varsity and Junior High teams are idle this week with all three teams having an open date.

Booster Club Barbecue Set Before Game

The Pled Piper Booster Club will serve a barbecue dinner Friday evening before the Cisco-Hamlin football game, according to Johnny Steele, club president.

The dinner will be served from 5 to 7 p.m. in the high school cafeteria. Tickets are \$2.00 and may be purchased from several members of the organization or may be purchased at the door.

Proceeds will be used toward recent projects of the club which include carpeting the field house at Piper Stadium and the new weight equipment purchased in the spring.

County Tax Statements To Go In Mail Oct. 1

The Jones County tax office is readying itself for the upcoming issue of tax statements and payment of county and taxes, which begin for 1975-76 Wednesday, Oct. 1.

Jones County Tax Assessor-Collector Roy L. Lane said the county expects to receive \$300,813.60 in taxes, based on total values in the county. In addition to county taxes, the office is expecting \$38,991.88 in state taxes.

Lane pointed out, however, that tax collection can never be expected to be 100 per cent.

Total values in county for the upcoming tax year is

\$37,601,700, up more than \$3 million from last year's tax values. An earlier estimate by Lane had placed the values at more than \$36 million, but he said the jump in values surprised him.

Jones County tax rate is 80 cents per \$100 valuation while state tax rate is 12 cents, making a total of 92 cents per \$100 valuation.

Taxpayers paying their taxes in October will receive a three per cent discount in taxes, Lane pointed out. The discount reduces to two per cent in November and one per cent in December.

Taxes become delinquent Feb. 1, 1976, and begin drawing penalty, Lane said.

WORKING ON BROOM SALE—Members of the Hamlin Boy Scout Troop turned out in full force here Monday and Tuesday to help the local Lions Club in their annual Lighthouse for the Blind Broom Sale. Members of the Troop, which is sponsored by the Hamlin Lions Club, worked in the door to door drive Monday and Tuesday evenings. Sammy Ferguson, (not pictured) is Scoutmaster.

EXTENSION SERVICE FEATURE—

Give Party The Easy Way

It's the party season again and everyone's getting into the swing! This year many conditions are different, and party-giving is surely affected.

One unfortunate reality is inflation. Food costs have risen to the point that women don't know what they can truly afford to serve for parties. They're busier, too, and many party hostesses have joined the army of employed women. But the answer to the party dilemma is easier than most women think.

Probably the most important rule to remember is to simplify the menu. Nobody cares about fancy foods anymore and everyone will go for the hearty, well-seasoned casserole ideas. Even men will request the recipes. Forget the appetizers, as everyone is dieting anyway. Who needs those excess calories? Select a main event such as Curried Chicken Casserole. Since it contains noodles as the starch of the meal and the poultry main course, a green salad and hot buttered rolls are all that are needed (plus dessert, of course) to complete the menu.

Giving a party the easy way makes a hostess more relaxed and gracious. She has little to do on party night, and she hasn't even broken the budget. And the part that the cook likes best? Her guests enjoy every morsel of food—all have a very special time.

NEWS AND VIEWS ...
And What Have You
— Continued from page One

But not any more. With the federal government threatening to cut off funds from the states if they do not get in line with what the bureaucrats think is best for them and in turn we have the states threatening the counties, cities and schools.

The City of Hamlin has been working with the federal and state agencies for four or five years now trying to comply with the regulations on our waste treatment plant. Now that we have just about got that problem ready to solve they have started to hassle them about the water treatment plant.

It seems that every few days the city employees must back-wash the filters in the treatment plant so that they can continue to filter the water coming over from Lake Stumford. This is down by reversing the flow of water through the filters. This treated water picks up the mud and other foreign matter out of the filters. All of this is dumped down California Creek and this is where we get in trouble again.

A good rain is bound to wash more dirt and foreign matter into the creek than the city ever could but those bright souls in Austin do not seem to understand this. In the first place it might help if they would just take a good look at the California Creek in the first place. One would think that it was one of the major tributaries of the state by the thinking of the people in Austin.

WRESTLING
WITH
OUR
FEARS

Our fears seem as big and as terrible as this alligator sometimes, don't they? Fear about this thing and that can paralyze us and prevent us from doing our daily work.

Many of our fears are real. A great many of our fears, however, are unfounded — a result of thinking and worrying about ourselves. Sir John Denham phrased it this way:

*"My fears are causeless and ungrounded,
Fantastic dreams and melancholy fumes."*

There is only one thing that will dispel fear of this type. We must do something to get out of ourselves. That means loving and helping others.

The Bible puts it so well in I John 4:18. *"There is no fear in love; but perfect love casteth out fear; because fear hath torment. He that feareth is not made perfect in love."*

The Church is God's Agency designed to help you. We invite you to attend this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

One track mind.

In the 1860's, Americans wanted to put their young country on the right track.

After several years, much hard work, and lots of money from government securities bought by Americans, the golden spike was driven at Promontory Point, Utah. On May 10, 1869, the east coast linked with the west.

Today, over 9½ million Americans are helping to keep this country together by buying United States Savings Bonds through the Payroll Savings Plan where they work.

Get on the right track. Look into our specially designed Bicentennial Series E Bonds. And buy them where you work or bank.

Series E Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Pipers Explode In Third Quarter To Dominate Clyde, 40-0

The Pipers completely dominated the Clyde Bulldogs Friday evening, but it was in the third quarter when the visiting Pipers put 11 points on the scoreboard that turned the game into a rout. The Pipers scored in every quarter to take the easy 40-0 win.

The Piper defense played another outstanding game as they held the Bulldogs to 64 yards rushing, 43 passing, and kept the Bulldogs from

ever mounting a serious scoring drive.

While the Piper offense rolled up 297 yards rushing and put 33 points on the scoreboard (one Hamlin score came on a blocked punt) they continued to be plagued with turnovers. The Pipers gave up the ball six times on turnovers as they lost two fumbles and had four pass interceptions. Clyde, in turn, gave the ball back to the Pipers seven times as they

lost four fumbles and gave up three interceptions.

Delbert Thompson led the Piper rushers with 107 yards in 13 carries for an average of 8.2. He was followed by Daniel Willis with 71 yards in nine carries. Sophomore Mack Lee with three carries for 42 yards and Robert Phariss with eight carries for 35 yards. Ronnie Dunn was high for Clyde with 22 carries for 53 yards.

Three of the six fumbles during the game occurred during the early part of the first period as Clyde ran three plays and fumbled, the Pipers ran two plays and gave up the ball and then Clyde got off four before losing their second fumble.

Hamlin kicked off to open the game with Clyde taking over on their own 33. The Bulldogs lost one yard in their first three plays and went into punt formation. The ball sailed over the punter's head and was recovered by the Pipers on the Clyde 16. Phariss gained eight yards to the eight, but on the next play the Pipers lost the ball at the five.

The Bulldogs picked up 10 yards in three plays for a first down at the 15. Dunn carried for seven yards but fumbled on the next play with the Pipers recovering at the Clyde 21. Hamlin Quarterback Gerald Rodgers carried for gains of two and five yards before handing off to Phariss who ripped over left guard for 15 yards and the touchdown. The point after failed and the Pipers owned a six point advantage with 5:55 left in the first period.

The balance of the first period was used up with fumbles and pass interceptions. Clyde ran four plays after the kickoff before fumbling to Hamlin at the Clyde 47. The Pipers ran three plays and then lost the ball on a pass interception, but got it back on another interception as Phariss picked off a Bulldog pass and returned it 20 yards to the Hamlin 35.

Following an exchange of punts, the Pipers opened up their first big scoring drive of the evening as they moved the ball 80 yards in 13 plays to put their second touchdown on the scoreboard.

Thompson carried the ball twice for a first down at the 30, Rodgers added three more and then Willis broke loose for 24 yards to the Clyde 43. Phariss carried twice for no gain before Thompson bulled his way for 13 yards and a first down at the 30. Rodgers threw an incomplete pass, Willis ran for four yards and then Thompson ripped the

Clyde defense for 13 more yards to the 17. Thompson gained six more yards and Phariss picked up a first down at the five. Willis carried over his left guard for the final five and the score with 2:50 left in the first half. Rodgers's two-point pass was intercepted and the Pipers were ahead 12-0.

Following the kickoff, Clyde was forced to punt with the Pipers taking over on their own 17. Thompson gained 13 yards before losing the ball to Clyde at the 30. The bulldogs ran two plays before Willis picked off a Clyde pass at his own five and returned it 73 yards to the Clyde 22. Clyde intercepted a fourth down pass in the end zone as time ran out in the first half.

Thompson took the second half kickoff and returned it 15 yards to the Clyde 46. It took the Pipers only four plays to score with Thompson carrying for five and 24 yards to the 17, Phariss for four to the 13 and then Willis went over his right guard, cut to the sidelines and scored standing up. Stan Jones kicked the point after with 10:14 left in the third quarter.

Following the kickoff, the Bulldogs ran two plays before Charles Brown, Piper defensive safety, picked off another Clyde pass and returned it 40 yards to the Clyde 22.

Thompson opened the Piper scoring drive with a six-yard gain, Phariss added three and then Willis was stopped for a yard loss. Facing fourth and eight,

Thompson powered his way for three yards and a first down at the 10. Willis took the quick pitch around his right end for the 10 yards and the score. Jones kicked the point after to give the Pipers a 26-0 lead with 6:30 left in the third period.

Clyde fumbled the kickoff with Hamlin recovering at the Bulldog 39. The Pipers moved to the 16 in six plays before giving up the ball on a pass interception.

Taking over at their own 18, Clyde gained four yards in three plays before going into punt formation. Thompson blocked the punt with Russell May picking up the loose ball and going into the end zone for the Piper score. Jones added the point after with 1:45 left in the third period.

Clyde failed to make a first down following the kickoff and punted. The Bulldogs drew a 15-yard penalty on the play, the first penalty of the evening, to give the Pipers a first down at the Clyde 46.

Coach David Bonds put in his second offense unit at this point. The Pipers failed to make their first down with the Bulldogs taking over at their own 46. Four plays later the Bulldogs gave the ball back to the Pipers on downs at the Hamlin 46.

May carried twice for five yards each time for a first down at the 44. Lee carried for two yards, Drew Tomlinson picked up four and then Lee was stopped for no gain. Facing fourth and four, the Pipers pitched out to Lee who raced around his left

end, broke out into the open and out raced the Bulldogs the 40 yards to the end zone. Jones kicked the point after with 5:50 left in the game.

Neither team could put together a drive during the final minutes of the contest as the Pipers took home their third win of the season. 40-0.

Dwain Rogers Wins Top Beautification Award

AUSTIN—Dwain Rogers, maintenance construction supervisor in Anson for the State Department of Highways and Public Transportation, Thursday received the coveted Lady Bird Johnson Award for Highway Beautification at a luncheon hosted by Mrs. Johnson at the Lyndon B. Johnson State Park in Stonewall.

Runnerup award went to Maintenance Construction Supervisor Clay Jameson of Matador.

The Lady Bird Johnson Award for Highway Beautification was established in 1970 by Mrs. Johnson to recognize the department maintenance man who does the best job of highway beautification in his area.

Before a large audience of departmental officials and beautification specialists, 24 other district nominees, press representatives and other invited guests, Mrs. Johnson presented to Rogers the attractive, bluebonnet-embellished award plaque and her personal check for \$1,000. Jameson, as second place winner, received a hand-lettered certificate and Mrs. Johnson's check for \$500.

A native of Jones County, Rogers is a 16-year veteran with the department. His first years were spent in the engineering section, and experience in highway design and construction taught him the importance of maintaining adequate vegetation to retard soil erosion.

Neinda Philosopher Comes Out In Defense Of Parents With Children Too Stern With Them

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route one switches from the international scene to parenthood this week, we guess.

Dear editor:

You hear a lot these days about permissiveness, about how parents are letting their children do as they please with some unhappy results, but you don't hear anything about the lack of permissiveness by children toward their parents.

I mean, while it's true that a lot of children, under the philosophy of letting them flower without hindrance, of leaning over backwards to avoid suppressing their personalities or damaging

their free spirititis, have turned into rather strange teen-agers, nobody seems to be studying the effect children have on parents.

While the children are demanding freedom for themselves, have they ever stopped to ask if they're being too stern, too firm, too dictatorial with their parents? In many households the child's demands, not his needs, come first. Life is ordered around his whims.

Why, I understand there are some parents who can't decide whether they're going out for the evening until they check with their children, and it's this lack of the children's permissiveness that's spoiling the parents, with untold psychological damage probably resulting.

I'll tell you, if kids don't relax, loosen up, get a little more lenient with grown-ups, they're going to take all the fun out of parenthood.

Why hasn't a parent got the right to be just as peculiar as his child? It's sort of like professional football players, after striking against the owners, being shocked and outraged at the owners' striking against them.

Actually, I don't know which is the better system for bringing up a child, being stern or being lenient, but I suspect the goal of most parents is about the same—to try to see that our kids don't do what we did when we were kids.

Yours faithfully,
J.A.

Annual Cattlemen's Round-Up For Rehab Center Set Monday

Back around the turn of the century, rounding up cattle and driving them to Abilene was routine to the Southwest cattlemen. In the fall of 1960, cattlemen banded together for a most unusual Round-Up that expressed their continuing concern for neighbors in need. Each fall for the past fifteen years ranchers and stockmen have been cutting out a calf, a pen of calves or livestock of any kind and earmarking them for the Annual Cattlemen's Round-Up for Crippled Children.

Hundreds of cattle are rounded up from a pasture the size of Texas, and even larger, and hauled by volunteers working around the clock into Abilene to be sold at a very special auction to raise funds to enable the West Texas Rehabilitation

Center to extend a helping hand to handicapped children and adults from throughout the Southwest.

Last year almost 4,000 individuals were served by this private, non-profit treatment and diagnostic facility which is largely dependent upon the contributions of friends.

To date about 100 head of cattle have been pledged for the September 29 Cattle Sale in Abilene. It is hoped that this number will quadruple

Funeral Services Held Saturday for Albert Bishop, 67

Albert (Buck) Bishop, 67, of Hamlin died Thursday at 9:06 a.m. at Big Spring Veterans Hospital.

Funeral was held at 2 p.m. Saturday at McCoy Chapel of Memories with the Rev. James Whitten, pastor of Calvary Baptist Church, officiating. Burial was in Hamlin East Cemetery.

Born May 22, 1908, in McKinney, he was a veteran of World War II and had lived in Hamlin since 1939. He had been in declining health since returning from the service. He did farm work near Tuxedo and in later years worked as a service station attendant when his health would permit.

Survivors include two sister, Miss Lois Bishop and Mrs. Charles (Lila) Cooper, both of Tulsa.

His sisters and brother-in-law attended the funeral.

by sale time.

At the present time trailers are picking up donated cattle in deep South Texas. Between now and sale time trucks and trailers will be in almost every section of the state.

Anyone wishing to donate livestock should contact the West Texas Rehabilitation Center as quickly as possible and arrangements will be made for pick up of the animals. The Center's number is 915-692-1633.

Charlie Morris of Abilene, longtime Chairman of the Cattlemen's Round-Up for Crippled Children, expressed guarded optimism about the prospects for the 16th Annual Round-Up. Morris said, "For fifteen years cattlemen have stood shoulder to shoulder with the Rehab Center, through good times and bad."

"As the sale approaches we are of course expectant and just a little nervous, but the cattlemen have never let us down," Morris added.

Last year's sale raised \$150,000.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Government bureaucracy in this country is enough to make all of us sick. We are fast approaching the day when we do not have government by elected representatives but by bureaucrats.

Between these firmly entrenched bureaucrats and appointed Federal Judges we are losing all sense of justice, fair play and common sense. These self-appointed dogooders are messing up the lives of our school age children, they are bankrupting our cities and businesses and making life miserable for all of us.

What kind of free country is it that separates youngsters from their life long school friends just to bus them away from their neighborhood school to some school 10 to 20 miles away? And this separation of children from their friends is not just a problem facing the big cities as we have a similar problem right here in our own area.

Thanks to an all-wise East Texas Federal Judge there are a great many children in the area who can no longer go to the school of their choice and the one that they have attended for several years. This Judge, in all of his wisdom, seems to think that the only reason a child might transfer from one school to another is integration.

He does not recognize the fact that sometimes a child lives much closer or has ties with one school while actually residing in another school district. For years and years our children have gone to the school of their choice with one district picking up about as many students as they lose and everyone coming out happy. But not anymore.

If a student's transfer changes the racial balance of either school by as much as one percent then the transfer is denied. It does not matter if this student has been going to that school for a number of years and his brothers and sisters have attended the school before them. In fact, we have a number of cases in the area where high school students have been granted a transfer but the junior high and lower grade students have not. This splits the family up with some going to one school and the rest going to another.

Somehow in the twisted minds of our bureaucrats and judges this is supposed to be better for the youngsters.

To some extent it has always been the individual against the government in some form or another but now we even have one government against the other. Up until the past few years one level of government has been pretty free from the actions of government at a higher level.

\$9,000 Goal Set For United Way Campaign

A \$9,000 goal has been announced for Hamlin's first United Way fund raising campaign, according to Luther Haught, president of the local organization. The campaign, under the direction of Jim Smith, is set to get underway Oct. 6 with the Advance Kickoff.

The Business Division will start Oct. 13 and will be followed by the School, Employee and Farmers Division on Oct. 20. A House to House campaign has been tentatively set for Nov. 4.

The Rev. Smith, minister of

the First United Methodist Church, said that it is the hope of the United Way directors that through fair share giving the people of Hamlin will be able to take care of most of fund raising needs of the community with this one drive.

He said that if the \$9,000 goal is reached the following organizations will receive these amounts: Birth Defects, \$200; West Texas Rehabilitation Center, \$1,200; Cancer Research, \$500; Salvation Army, \$800; Heart Research, \$200; Arthritis Foundation, \$200; Summer Recreation Program, \$300; Summer Baseball Programs (boys and girls), \$1,300; Hamlin Child Care Center, \$1,500; Boy Scouts of America, \$750; Girl Scouts of America, \$750; Local Scouting Activities, \$500; Hamlin Stock Show, \$500; and campaign expenses, \$300.

Should the drive fail to reach its goal, Smith said that each unit will receive its proportionate share of the money raised.

Heading up the various

divisions of the campaign will be:

Advance—Joe Ford, chairman; Mrs. L. H. McBride and Lewis Madden.

Business—Luther Haught, chairman; Mrs. Robert Fowler and Pat Willoughby.

Farmers—Bobby Crowley, chairman; John Scarborough, Milburn Wink and Bill Feagan.

Employees—O. H. Weaver Jr., chairman; and Mrs. Luther Haught.

Teachers—Bob Hawes, chairman.

House to House—Mrs. Bill Feagan, chairman; and Mrs. Roy Pritchard.

Campaign preparation—Mrs. L. C. Bonds, chairman; and Mrs. E. W. Ueckart. Poster—Mrs. Johnny Waldrop, chairman.

Mrs. Waldrop will conduct a poster contest within the four grade divisions. Prizes will be awarded for first, second, third and honorable mention. The posters must be completed by Oct. 10 and will be judged and placed on display in the downtown store windows Oct. 13.

New Johnny Cash Film To Be Shown Sunday

The story is old, but the perspective is up-dated and brought into sharp focus by the film "The Gospel Road" to be shown on Sunday at Foursquare Gospel Church. The showing will begin at 6 p.m.

"The Gospel Road," distributed by World Wide Pictures, was conceived and produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way.

The film is a unique blend of scripture-based narrative, an abundant supply of specially written songs, and a series of in-depth character

portrayals, with Israel itself as the mixing bowl.

Mrs. Lucille Carter, publicity chairman, said "You are there, walking beside the Jordan and the Sea of Galilee; you are there, seeing Him in many human situations that establish a practical and personal rapport with every viewer." "You are there, being introduced to the disciples, and gaining insights into their varied personalities.

BATTLE OF UNBEATENS—

Highly Ranked Loboes To Meet Pipers Friday

A battle of the unbeaten will unfold here Friday night as the Pipers host the Cisco Loboes, ranked number three in the state last week. It will be the final non-conference game for the Pipers.

The Loboes were handing the Coahoma Bulldogs a 20-14 defeat last Friday while the

Pipers were taking an easy win over the Clyde Bulldogs.

This will be the second meeting in the current series between these two Class AA teams with the Pipers coming out on top of a 28-20 score last year.

Coach David Bonds said this week that Cisco will be a real test for our defensive unit as Tailback Kelly Kent has been averaging over 200 yards per game for the Loboes. Last year Kent, as the Quarterback, racked up 140 yards against the Pipers. The Loboes have changed this year from the Quarterback formation to the Power "I" with Kent running at tailback.

Most of the Loboes are starting for their third season this year. As sophomores, they went 10-0 in regular season and then lost to Bowie in the playoffs.

Returning in the backfield with Kent (178 pounds) are Ronny Powelson (175 pounds) at quarterback, Jimmy Kanady (174 pounds) at fullback and Tim Cheshire (150 pounds) at wide receiver. Powelson is a strong runner and a good passer. He completed 10 of 18 passes last year against the Pipers for two touchdowns. Kanady is rated as a tough fullback and a good blocker for Kent.

Starting in the line for the Loboes will be Billy Collins (147 pounds) at split end. Piper fans will remember him for his two touchdown catches against Hamlin last year. At tight end will be Pepper Puryear (185 pounds.) Playing tackle for the Loboes will be Jeff Cermin (200 pounds) and Mark Huffmyer (200 pounds). At guard will be Robert Pharr (174 pounds) and Cam Webb (183 pounds). Danny Hollander (175 pounds) will be at center.

Adult Typing Class

The first class meeting of the adult typing class will be held today (Thursday) at 7 p.m. in the high school typing room.

Miss Dora Mitchell, instructor, said that there is room for a few more students. Any adult over the age of 18 is eligible.

On defense the Loboes operate from a five-man front with Huffmyer (200 pounds) at nose guard, Randy Agnew (165 pounds) and Cermin (200 pounds) at the defensive tackles, Brad Wilcoxen (174 pounds) and Bobby Jaramillo (165 pounds) at the defensive ends. At linebacker will be Pepper Puryear (185 pounds) and Mike Puryear (174 pounds). The corners will be Kanady (174 pounds) and Kent (178 pounds) and at halfbacks will be Jaime Lopez (145 pounds) and Powelson (175 pounds).

District 6-AA Roundup-District 6-AA teams split 4-3 with nonconference foes last week with Stamford, Hamlin, Ballinger and Anson coming out on top and Coahoma, Winters and Colorado City falling to defeat. Stamford won over Sweetwater, 18-7, Hamlin over Clyde, 40-0, Ballinger over Ozona, 31-6 and Anson over Albany, 56-6. Coahoma lost to Cisco, 20-14, Winters fell to Coleman, 49-0, and Colorado City lost to Reagan County, 43-6.

Going into their final nonconference games this Friday, all of the District 6-AA teams will be playing at home with the exception of Stamford. Anson will host Clyde, Winters plays Eldorado, Ballinger hosts

Coleman, Coahoma hosts McCamey, Colorado City plays Post, Hamlin hosts Cisco, and Stamford travels to Haskell.

The local Junior Varsity and Junior High teams are idle this week with all three teams having an open date.

Booster Club Barbecue Set Before Game

The Pled Piper Booster Club will serve a barbecue dinner Friday evening before the Cisco-Hamlin football game, according to Johnny Steele, club president.

The dinner will be served from 5 to 7 p.m. in the high school cafeteria. Tickets are \$2.00 and may be purchased from several members of the organization or may be purchased at the door.

Proceeds will be used toward recent projects of the club which include carpeting the field house at Piper Stadium and the new weight equipment purchased in the spring.

County Tax Statements To Go In Mail Oct. 1

The Jones County tax office is readying itself for the upcoming issue of tax statements and payment of county and taxes, which begin for 1975-76 Wednesday, Oct. 1.

Jones County Tax Assessor-Collector Roy L. Lane said the county expects to receive \$300,813.60 in taxes, based on total values in the county. In addition to county taxes, the office is expecting \$38,991.88 in state taxes.

Lane pointed out, however, that tax collection can never be expected to be 100 per cent.

Total values in county for the upcoming tax year is

\$37,601,700, up more than \$3 million from last year's tax values. An earlier estimate by Lane had placed the values at more than \$36 million, but he said the jump in values surprised him.

Jones County tax rate is 80 cents per \$100 valuation while state tax rate is 12 cents, making a total of 92 cents per \$100 valuation.

Taxpayers paying their taxes in October will receive a three per cent discount in taxes, Lane pointed out. The discount reduces to two per cent in November and one per cent in December.

Taxes become delinquent Feb. 1, 1976, and begin drawing penalty, Lane said.

WORKING ON BROOM SALE—Members of the Hamlin Boy Scout Troop turned out in full force here Monday and Tuesday to help the local Lions Club in their annual Lighthouse for the Blind Broom Sale. Shown here with Lions Bill Schmidt and Jimmy Spalding are Scouts Steven Campbell and Stevie Reynolds. Members of the Troop, which is sponsored by the Hamlin Lions Club, worked in the door to door drive Monday and Tuesday evenings. Sammy Ferguson, (not pictured) is Scoutmaster.

Flea Market, Auction, Car Show Planned Here Oct. 4

"Mark Saturday, Oct. 4, on your calendar. Gather up your friends and neighbors and be on hand for the big Sidewalk Sale, Flea Market, Auction and New Car Show being sponsored by the Hamlin Retail Trade Committee," was the advice of Gary McMillan, chairman.

Hamlin merchants who are members of the Hamlin Board of Community Development are making plans now for the final big Sidewalk Sale and Flea

Market of the year to be held all day Saturday, Oct. 4. All area residents are being invited to take part in this event by bringing clothes, antiques, and any other unneeded items to town on that day.

A huge auction is being planned to benefit the Hamlin Day Care Center at 2 p.m. The auction of new and used furniture, farm equipment and many other items will be held along the side of the Hamlin city hall building,

according to Mrs. L. C. Bonds. The auction will be moved into the back of the city hall building if the weather is bad, she added.

The Day Care Center will be auctioning both donated items and items on consignment. Auctioneer will be Ricky Crowley and Danny Carter.

A display of new cars and tractors will be located on the Lone Star Gas Company parking lot as part of the big all-day event.

Give Party The Easy Way

It's the party season again and everyone's getting into the swing! This year many conditions are different, and party-giving is surely affected.

One unfortunate reality is inflation. Food costs have risen to the point that women don't know what they can truly afford to serve for parties. They're busier, too, and many party hostesses have joined the army of employed women. But the answer to the party dilemma is easier than most women think.

Probably the most important rule to remember is to simplify the menu. Nobody cares about fancy foods anymore and everyone will go for the hearty, well-seasoned casserole ideas. Even men will request the recipes. Forget the appetizers, as everyone is dieting anyway. Who needs those excess calories? Select a main event such as Curried Chicken Casserole. Since it contains noodles as the starch of the meal and the poultry main course, a green salad and hot buttered rolls are all that are needed (plus dessert, of course) to complete the menu.

Giving a party the easy way makes a hostess more relaxed and gracious. She has little to do on party night, and she hasn't even broken the budget. And the part that the cook likes best? Her guests enjoy every morsel of food—all have a very special time.

Nazarene Church
To Open Campaign

Delton Jacksons
Attend Boat Races

The Church of the Nazarene will begin a six weeks' campaign Sunday in connection with an international event sponsored by the general church, according to the pastor, the Rev. Marshall Stewart.

The campaign, "Reach Out and Touch" is designed to increase each Sunday School by 40 per cent.

Serving as local chairmen are Mr. and Mrs. Larry Farnsworth.

The campaign, Sept. 28-Nov. 2, will begin Sunday with each family bringing a family as guests for the noon meal to be served in the annex.

Mr. and Mrs. Delton Jackson attended the Boat Drag Races in Fort Worth Saturday and Sunday where he entered his 18-foot Apollo XK Jet boat in the quarter-mile drag races.

He ran a clocked speed of 76.28 m.p.h. for the third highest speed in Ski Jet I class. A new record was set in this class by Gaines Tennessee of Memphis, Tenn. with 87.77 m.p.h.

Boats entered in the race totalled 137 from Tennessee, Oklahoma, Arkansas, Missouri, Louisiana, Mississippi and Texas.

Jackson's boat is powered by a 500 hp 454 Chevrolet

engine which was built by Ronnie Mercer at the Car Shop in Abilene. Jackson is dealer for Jet drag boats and bass boats.

LETTER TO EDITOR

Drive Chairman
Says Thank You

Dear Editor:

I want to thank everyone for their tremendous response to our Cystic Fibrosis Campaign in Hamlin.

I especially want to thank the 28 workers who contributed their time and effort in making the campaign a success.

Sincerely,
Mrs. Robert Perry
Chairman

It seems that every few days the city employees must back-wash the filters in the treatment plant so that they can continue to filter the water coming over from Lake Stumford. This is down by reversing the flow of water through the filters. This treated water picks up the mud and other foreign matter out of the filters. All of this is dumped down California Creek and this is where we get in trouble again.

A good rain is bound to wash more dirt and foreign matter into the creek than the city ever could but those bright souls in Austin do not seem to understand this. In the first place it might help if they would just take a good look at the California Creek in the first place. One would think that it was one of the major tributaries of the state by the thinking of the people in Austin.

WRESTLING
WITH
OUR
FEARS

Our fears seem as big and as terrible as this alligator sometimes, don't they? Fear about this thing and that can paralyze us and prevent us from doing our daily work.

Many of our fears are real. A great many of our fears, however, are unfounded — a result of thinking and worrying about ourselves. Sir John Denham phrased it this way:

*"My fears are causeless and ungrounded,
Fantastic dreams and melancholy fumes."*

There is only one thing that will dispel fear of this type. We must do something to get out of ourselves. That means loving and helping others.

The Bible puts it so well in I John 4:18. *"There is no fear in love; but perfect love casteth out fear; because fear hath torment. He that feareth is not made perfect in love."*

The Church is God's Agency designed to help you. We invite you to attend this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

One track mind.

In the 1860's, Americans wanted to put their young country on the right track.

After several years, much hard work, and lots of money from government securities bought by Americans, the golden spike was driven at Promontory Point, Utah. On May 10, 1869, the east coast linked with the west.

Today, over 9½ million Americans are helping to keep this country together by buying United States Savings Bonds through the Payroll Savings Plan where they work.

Get on the right track. Look into our specially designed Bicentennial Series E Bonds. And buy them where you work or bank.

Series E Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Pipers Explode In Third Quarter To Dominate Clyde, 40-0

The Pipers completely dominated the Clyde Bulldogs Friday evening, but it was in the third period when the visiting Pipers put 21 points on the scoreboard that turned the game into a rout. The Pipers scored in every quarter to take the easy 40-0 win.

The Piper defense played another outstanding game as they held the Bulldogs to 64 yards rushing, 43 passing, and kept the Bulldogs from

ever mounting a serious scoring drive.

While the Piper offense rolled up 297 yards rushing and put 33 points on the scoreboard (one Hamlin score came on a blocked punt) they continued to be plagued with turnovers. The Pipers gave up the ball six times on turnovers as they lost two fumbles and had four pass interceptions. Clyde, in turn, gave the ball back to the Pipers seven times as they

lost four fumbles and gave up three interceptions.

Delbert Thompson led the Piper rushers with 107 yards in 13 carries for an average of 8.2. He was followed by Daniel Willis with 71 yards in nine carries, Sophomore Mack Lee with three carries for 42 yards and Robert Phariss with eight carries for 35 yards. Ronnie Dunn was high for Clyde with 22 carries for 53 yards.

Three of the six fumbles during the game occurred during the early part of the first period as Clyde ran three plays and fumbled, the Pipers ran two plays and gave up the ball and then Clyde got off four before losing their second fumble.

Hamlin kicked off to open the game with Clyde taking over on their own 33. The Bulldogs lost one yard in their first three plays and went into punt formation. The ball sailed over the punter's head and was recovered by the Pipers on the Clyde 16. Phariss gained eight yards to the eight, but on the next play the Pipers lost the ball at the five.

The Bulldogs picked up 10 yards in three plays for a first down at the 15. Dunn carried for seven yards but fumbled on the next play with the Pipers recovering at the Clyde 21. Hamlin Quarterback Gerald Rodgers carried for gains of two and five yards before handing off to Phariss who ripped over left guard for 15 yards and the touchdown. The point after failed and the Pipers owned a six point advantage with 5:55 left in the first period.

The balance of the first period was used up with fumbles and pass interceptions. Clyde ran four plays after the kickoff before fumbling to Hamlin at the Clyde 47. The Pipers ran three plays and then lost the ball on a pass interception, but got it back on another interception as Phariss picked off a Bulldog pass and returned it 20 yards to the Hamlin 35.

Following an exchange of punts, the Pipers opened up their first big scoring drive of the evening as they moved the ball 80 yards in 13 plays to put their second touchdown on the scoreboard.

Thompson carried the ball twice for a first down at the 30, Rodgers added three more and then Willis broke loose for 24 yards to the Clyde 43. Phariss carried twice for no gain before Thompson bulled his way for 13 yards and a first down at the 30. Rodgers threw an incomplete pass, Willis ran for four yards and then Thompson ripped the

Clyde defense for 13 more yards to the 17. Thompson gained six more yards and Phariss picked up a first down at the five. Willis carried over his left guard for the final five and the score with 2:50 left in the first half. Rodgers's two-point pass was intercepted and the Pipers were ahead 12-0.

Following the kickoff, Clyde was forced to punt with the Pipers taking over on their own 17. Thompson gained 13 yards before losing the ball to Clyde at the 30. The bulldogs ran two plays before Willis picked off a Clyde pass at his own five and returned it 73 yards to the Clyde 22. Clyde intercepted a fourth down pass in the end zone as time ran out in the first half.

Thompson took the second half kickoff and returned it 15 yards to the Clyde 46. It took the Pipers only four plays to score with Thompson carrying for five and 24 yards to the 17, Phariss for four to the 13 and then Willis went over his right guard, cut to the sidelines and scored standing up. Stan Jones kicked the point after with 10:14 left in the third quarter.

Following the kickoff, the Bulldogs ran two plays before Charles Brown, Piper defensive safety, picked off another Clyde pass and returned it 40 yards to the Clyde 22.

Thompson opened the Piper scoring drive with a six-yard gain, Phariss added three and then Willis was stopped for a yard loss. Facing fourth and eight,

Thompson powered his way for three yards and a first down at the 10. Willis took the quick pitch around his right end for the 10 yards and the score. Jones kicked the point after to give the Pipers a 26-0 lead with 6:30 left in the third period.

Clyde fumbled the kickoff with Hamlin recovering at the Bulldog 39. The Pipers moved to the 16 in six plays before giving up the ball on a pass interception.

Taking over at their own 18, Clyde gained four yards in three plays before going into punt formation. Thompson blocked the punt with Russell May picking up the loose ball and going into the end zone for the Piper score. Jones added the point after with 1:45 left in the third period.

Clyde failed to make a first down following the kickoff and punted. The Bulldogs drew a 15-yard penalty on the play, the first penalty of the evening, to give the Pipers a first down at the Clyde 46.

Coach David Bonds put in his second offensive unit at this point. The Pipers failed to make their first down with the Bulldogs taking over at their own 46. Four plays later the Bulldogs gave the ball back to the Pipers on downs at the Hamlin 46.

May carried twice for five yards each time for a first down at the 44. Lee carried for two yards, Drew Tomlinson picked up four and then Lee was stopped for no gain. Facing fourth and four, the Pipers pitched out to Lee who raced around his left

Dwain Rogers Wins Top Beautification Award

AUSTIN—Dwain Rogers, maintenance construction supervisor in Anson for the State Department of Highways and Public Transportation, Thursday received the coveted Lady Bird Johnson Award for Highway Beautification at a luncheon hosted by Mrs. Johnson at the Lyndon B. Johnson State Park in Stonewall.

Runnerup award went to Maintenance Construction Supervisor Clay Jameson of Matador.

The Lady Bird Johnson Award for Highway Beautification was established in 1970 by Mrs. Johnson to recognize the department maintenance man who does the best job of highway beautification in his area.

Before a large audience of departmental officials and beautification specialists, 24 other district nominees, press representatives and other invited guests, Mrs. Johnson presented to Rogers the attractive, bluebonnet-embellished award plaque and her personal check for \$1,000. Jameson, as second place winner, received a hand-lettered certificate and Mrs. Johnson's check for \$500.

A native of Jones County, Rogers is a 16-year veteran with the department. His first years were spent in the engineering section, and experience in highway design and construction taught him the importance of maintaining adequate vegetation to retard soil erosion.

Neinda Philosopher Comes Out In Defense Of Parents With Children Too Stern With Them

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route one switches from the international scene to parenthood this week, we guess.

Dear editor: You hear a lot these days about permissiveness, about how parents are letting their children do as they please with some unhappy results, but you don't hear anything about the lack of permissiveness by children toward their parents.

I mean, while it's true that a lot of children, under the philosophy of letting them flower without hindrance, of leaning over backwards to avoid suppressing their personalities or damaging

their free spirititis, have turned into rather strange teen-agers, nobody seems to be studying the effect children have on parents.

While the children are demanding freedom for themselves, have they ever stopped to ask if they're being too stern, too firm, too dictatorial with their parents? In many households the child's demands, not his needs, come first. Life is ordered around his whims.

Why, I understand there are some parents who can't decide whether they're going out for the evening until they check with their children, and it's this lack of the children's permissiveness that's spoiling the parents, with untold psychological damage probably resulting.

I'll tell you, if kids don't relax, loosen up, get a little more lenient with grown-ups, they're going to take all the fun out of parenthood.

Why hasn't a parent got the right to be just as peculiar as his child? It's sort of like professional football players, after striking against the owners, being shocked and outraged at the owners' striking against them.

Actually, I don't know which is the better system for bringing up a child, being stern or being lenient, but I suspect the goal of most parents is about the same—to try to see that our kids don't do what we did when we were kids.

Yours faithfully,
J.A.

end, broke out into the open and out raced the Bulldogs the 40 yards to the end zone. Jones kicked the point after with 5:50 left in the game.

Neither team could put together a drive during the final minutes of the contest as the Pipers took home their third win of the season. 40-0.

A story of Jesus sung and told by Johnny Cash

It's no easy task to tell the story of Christ's earthly ministry in a 63 minute motion picture. The story is such a far-reaching one—that spans all barriers with deep significance.

How do you relate the reality of profound miracles on film? How do you show the struggles, the cutting pain, the incomprehensible love of One who overpowered death—by dying—for all men of all time?

Maybe you can't tell the whole story. But you can tell a part of it—the part that means the most to you.

Johnny Cash seems to make it all happen again—with music, with the scenic beauty of the land of Israel, with forceful characterizations of the men who lived the story—in the World Wide Pictures release, THE COSPEL ROAD, the untold miracle that's still happening today!

Annual Cattlemen's Round-Up For Rehab Center Set Monday

Back around the turn of the century, rounding up cattle and driving them to Abilene was routine to the Southwest cattlemen. In the fall of 1960, cattlemen banded together for a most unusual Round-Up that expressed their continuing concern for neighbors in need. Each fall for the past fifteen years ranchers and stockmen have been cutting out a calf, a pen of calves or livestock of any kind and earmarking them for the Annual Cattlemen's Round-Up for Crippled Children.

Hundreds of cattle are rounded up from a pasture the size of Texas, and even larger, and hauled by volunteers working around the clock into Abilene to be sold at a very special auction to raise funds to enable the West Texas Rehabilitation

Center to extend a helping hand to handicapped children and adults from throughout the Southwest.

Last year almost 4,000 individuals were served by this private, non-profit treatment and diagnostic facility which is largely dependent upon the contributions of friends.

To date about 100 head of cattle have been pledged for the September 29 Cattle Sale in Abilene. It is hoped that this number will quadruple

Funeral Services Held Saturday for Albert Bishop, 67

Albert (Buck) Bishop, 67, of Hamlin died Thursday at 9:08 a.m. at Big Spring Veterans Hospital.

Funeral was held at 2 p.m. Saturday at McCoy Chapel of Memories with the Rev. James Whitten, pastor of Calvary Baptist Church, officiating. Burial was in Hamlin East Cemetery.

Born May 22, 1908, in McKinney, he was a veteran of World War II and had lived in Hamlin since 1939. He had been in declining health since returning from the service. He did farm work near Tuxedo and in later years worked as a service station attendant when his health would permit.

Survivors include two sister, Miss Lois Bishop and Mrs. Charles (Lila) Cooper, both of Tulsa.

His sisters and brother-in-law attended the funeral.

by sale time.

At the present time trailers are picking up donated cattle in deep South Texas. Between now and sale time trucks and trailers will be in almost every section of the state.

Anyone wishing to donate livestock should contact the West Texas Rehabilitation Center as quickly as possible and arrangements will be made for pick up of the animals. The Center's number is 915-692-1633.

Charlie Morris of Abilene, longtime Chairman of the Cattlemen's Round-Up for Crippled Children, expressed guarded optimism about the prospects for the 16th Annual Round-Up. Morris said, "For fifteen years cattlemen have stood shoulder to shoulder with the Rehab Center, through good times and bad."

"As the sale approaches we are of course expectant and just a little nervous, but the cattleman has never let us down," Morris added.

Last year's sale raised \$150,000.
